

# End-to-End Solutions for Your Patients

Biologics by McKesson is the specialty pharmacy that will handle any prescription and take care of your patients throughout their treatment journey.

We provide access to **150+ therapies**, including **60+ limited-distribution** and **10+ exclusive therapies**.

## UNPARALLELED THERAPY ACCESS

### Send us all your prescriptions.

We process prescriptions within 1 hour. If we are unable to fill, we will send the prescription for you to a pharmacy that can.

We do far more than fill prescriptions. We are there for your patients at every step of their journey, ensuring industry-leading time to fill, providing financial support and promoting long-term adherence and safe use.
